PROFILE

Kim Stallwood is an animal rights advocate and theorist, who is an author, independent scholar, consultant, and speaker. He has more than 40 years of personal commitment as a vegan and professional experience in leadership positions with some of the world's foremost animal advocacy organisations. Currently, he is a consultant to Becky Robinson, President and Founder, Alley Cat Allies, in the USA and is a member of the board of directors of the Culture and Animals Foundation. He wrote *Growl: Life Lessons, Hard Truths, and Bold Strategies from an Animal Advocate* with a Foreword by Brian May (Lantern Books, 2014). He became a vegetarian in 1974 after working in a chicken slaughterhouse. He has been a vegan since 1976. He has dual citizenship with the UK and USA.

ANIMALS AND SOCIETY INSTITUTE, ANN ARBOR, MI, USA (2007 TO 2014)

Consultant: European Director, reporting to executive director and managing director

ANIMALS AND SOCIETY INSTITUTE, BALTIMORE, MD, USA (2005 TO 2007)

Co-Founder and Co-Executive Director reporting to Board of Directors (full-time employee)

INSTITUTE FOR ANIMALS AND SOCIETY, BALTIMORE, MD, USA (2002 TO 2005)

Executive Director. Reported to the Board of Directors. Full-time employee.

RESPONSIBILITIES:

- Responsible for programs, publications (e.g., policy papers, experts guide), communications, website, management, public speaking and fundraising (annual budget \$250-300k)

ACCOMPLISHMENTS:

- In 2005 co-founded the Animals and Society Institute by merging the Institute for Animals and Society with the Society and Animals Forum
- In 2002 reinvented *The Animals' Agenda* magazine and its not-for-profit publisher, Animal Rights Network, into the Institute for Animals and Society
- Largest single gift solicited was \$75,000, a three-year pledge of \$25,000 annually
- Created The Animals' Platform, a national campaign to make animal welfare a mainstream political issue, which was based on Stallwood's involvement with the British general election of 1979 and 1983 and the 'Putting Animals into Politics' campaigns
- Co-produced with Professor Tom Regan and the Culture and Animals Foundation the International Compassionate Living Festival 2004-2008, with such speakers as Marc Bekoff, John Mackey, Jeffrey Masson, Miyun Park, and Jill Robinson
- Consultant and co-instructor, Community College of Baltimore County, in the design and creation of content of two three-credit classes on campus and online in 'Animals and Society'

ANIMAL RIGHTS NETWORK AND *THE ANIMALS' AGENDA*, BALTIMORE, MD, USA (1993 TO 2002)

Executive Director of the Animal Rights Network, Inc. and Editor in Chief of *The Animals' Agenda* magazine which it published. Reported to the Board of Directors. Full-time employee.

RESPONSIBILITIES:

- Developed long-term strategy and general management with responsibility for budgets (annual budget \$350-650k), program implementation and fundraising, including direct mail, major gifts, grantsmanship, and special events
- Creative direction of *The Animals' Agenda* and related programs
- Relationship management with academics, independent experts and colleagues in like-minded organisations throughout the world
- Public speaking and media representative
- Corporate identity, promotional and marketing activities, Web site, etc.
- Meet the needs of readers with special projects (e.g., annual supplement Directory of Organisations)

ACCOMPLISHMENTS:

- Resurrected *The Animals' Agenda* from long-term decline to a respected publication while staying in publication for nine years notwithstanding minimal operational budget
- Repositioned *The Animals' Agenda* to serve its mission to foster cooperation among a combined audience of animal advocates, academics, interested individuals and the public
- Published news, investigative reports, commentary and analysis written by advocates, scholars, attorneys, scientists, artists (e.g., Wayne Pacelle, Marc Bekoff, Jill Robinson, Carol J. Adams)
- Wrote editorials and articles, commissioned authors, conducted interviews (e.g., Paul McCartney, Peter Singer)
- Recognised twice by Project Censored (a media research group at Sonoma State University) as having published one of the top 25 'censored' (under-covered) news stories

- Edited two anthologies of articles (*Speaking Out for Animals* with a foreword by Jane Goodall and *A Primer on Animal Rights* with a foreword by Jeremy Rifkin) and a *Directory of Organisations*, which included information on more than 1,200 organisations worldwide
- Wrote chapters for publication in three text books
- Relunched Friends of *The Animals' Agenda* thereby increasing annual donations from \$85,000 in 1993 to \$230,063 in 2000
- Developed a more cohesive and effective approach to creating social change by cultivating relationships with subscribers and donors, together with public speaking at local and national organisations
- Led a group of fourteen animal defenders from ten states on a week-long Animal Rights View of England tour, including visits to London, four other cities, the Houses of Parliament and animal welfare groups, including Compassion In World Farming
- Summit for the Animals: The Animal Rights Network (ARN) was selected by the presidents and executive directors of the leading US national organisations to be the administrator for the Summit for the Animals, an annual meeting of more than 35 groups
- Established the ARN Collection, an archive on the moral and legal status of animals, which was repository of information and history with more than 12,600 books, journals, magazines, and other materials catalogued onto a bibliographic database
- The ARN Collection received the largest multi-year grants secured (\$134,000 and \$139,000)
- Negotiated the sale of the ARN Collection to the Tom Regan Animal Rights Archive at North Carolina State University

CONSULTANT, BALTIMORE, MD, USA (1992 TO 1994)

RESPONSIBILITIES:

- Clients included the Vegetarian Resource Group (1992), Physicians Committee for Responsible Medicine, Citizens to End Animal Suffering and Exploitation (1993-94), New England Anti-Vivisection Society (1993-94)
- Conducted a strategic review to produce a Program Plan of Action, which detailed mission, objectives, goals, campaigns, constituencies and fundraising and communication strategies

ACCOMPLISHMENTS:

- Client organisations re-evaluated their mission, strategy, and programs and implemented changes to make improvements to their effectiveness (e.g., PCRM repositioned itself from the 'doctor's anti-vivisection organisation' to health advocacy think tank which promoted healthy well-being while challenging the assumptions of vivisection-based health care)

PEOPLE FOR THE ETHICAL TREATMENT OF ANIMALS, WASHINGTON, DC, USA (1987 TO 1992)

Executive Director. Reported to co-founders. Full-time employee.

RESPONSIBILITIES:

- Organisational management, program implementation and fundraising activities, including instituting management structure, procedures for written monthly reports, weekly planning meetings, and biannual retreats
- Overseeing the transformation of the organisation during a period of rapid growth
- Working closely with the Development Director on the organisation's social events, membership development and high donor programs, including direct mail, one-on-one solicitation, grant applications, celebrity cultivation, 10th Anniversary Membership Party, and Humanitarian Awards Galas
- Reorganisation of financial management, including the creation of a new, computerised accounting system, financial reports, and 20 departmental budgets

ACCOMPLISHMENTS:

- Increased annual budget of \$3.5 million in 1987 to \$10.5 million in 1991
- Managed growth in full-time staff from 35 to 85
- Membership increased from 200,000 in 1987 to 350,000 in 1991
- Relocated organisation twice
- Transformed organisational management to enable the organisation to grow from a grassroots group with national presence to an internationally respected and innovative organisation
- Directed the implementation of a corporate identity program for the organisation's publications (magazine-style guide, shopping guides, flyers, posters, video covers, exhibition materials, etc.); house journal *PETA News*; and special publications (*PETA Guide to Compassionate Living*, *Shopping Guide for Caring Consumers*, *10th Anniversary Humanitarian Awards Gala Program*, etc.)
- Redesigned and relaunched existing merchandise mail order program with the *PETA Catalog for Cruelty-Free Living*, a 32-page catalog featuring Paul and Linda McCartney on the front cover, which increased annual gross income from \$225,000 with a net loss of \$50,000 to \$1.35 million with net income of \$240,000 in 1-2 year period

BRITISH UNION FOR THE ABOLITION OF VIVISECTION, LONDON (1978 TO 1986)

Acting General Secretary (1986). Reported to the Executive Committee. Campaigns Officer (1981 – 1985). Reported to the Office Manager. Office Assistant (1978 – 1981). Reported to General Secretary. Full-time employee.

RESPONSIBILITIES:

- Directed the implementation of a corporate image program for the organisation's public education materials including flyers, posters, brochures, merchandise, exhibitions, etc.; and co-edited *Liberator*, BUAV bimonthly campaigning newspaper
- Secretary to the Mobilisation for Laboratory Animals, a coalition of four national anti-vivisection organisations, which led the Opposition to the British Government's Animals (Scientific Procedures) Act 1986

ACCOMPLISHMENTS:

- Played a pivotal role in transforming BUAV into a vigorous and innovative group, which positioned animal research as an issue of public concern and a mainstream political issue

- Lobby of Parliament for the Mobilisation for Animals which was attended by 700 people and a rally, chaired by myself, with sympathetic Members of Parliament of all political parties, Lords, and others
- Six national demonstrations, including one in London's Trafalgar Square with 9,000 people, 600 of whom participated in street theatre
- Directed programs which included organising annual national meetings of local volunteers; speaking to local groups throughout the UK
- Worked with the London Borough of Islington in their adoption of the country's first local authority *Animals' Charter*
- Profiled in 'They Clearly Now See the Link: Militant Voices' by Philip Windeatt in *In Defense of Animals* edited by Peter Singer (Oxford: Basil Blackwell, 1985)

COMPASSION IN WORLD FARMING, PETERSFIELD, HAMPSHIRE, UK (1976 TO 1978)

National Organiser. Reported to co-founder. Full-time employee.

RESPONSIBILITIES:

- National campaigns against factory farming

ACCOMPLISHMENTS:

- Established a nationwide network of local groups
- Organised campaigns and activities including tabling, demonstrations, and public speaking
- Assisted with the production of bimonthly newsletter *Ag Scene*
